Hi Lorena,

Our contractor will be watering for 30 days during the plant "establishment period". During this timeframe, they will provide you a schedule with details on their routine that you can implement when maintaining the Walkway.

Alain,
Please confirm when we need to begin watering the plants.

Usually the landscaper waters them initially for a period of time.

Since I will be gone most of next week I need to know.

Hi LFW Steering Committee Members,

I hope this message reaches you all in good form. The walkway is scheduled to be completed by tomorrow, with a few elements like painting and watering of plants being done the following week. The alleyway will be closed to the public until the grand opening event. Here are some of the details for the Lilyan Fierman Walkway Grand Opening Event:

Date: Friday, June 10

Time: 1PM-2PM

Location: Lilyan Fierman Walkway, 6th Street Entrance

Attendees: Councilman Joe Buscaino
LANI Executive Director, Veronica Hahni
Linda Grimes

Our very own Sue Castillo will be one of the speakers for the event. Please let me know if you have any questions. Sadly, I cannot attend the event but any on site needs can be directed to Tanya Hahni or Sian Leong.

Thanks,
Alain J. Datcher
